QUOTATION

Project Overview

This project involves the complete visual redesign, professional copywriting, and database-safe live implementation of the entire *ZenExpress Logistics Private Limited (ZenXL)* website (comprising **20 pages in total**, structured into a **6-template system**).

The primary technical objective of this project is to deploy a modern, high-performance website layout (optimised for mobile, tablet, and desktop) while **completely protecting the live data, user accounts, and lead capture systems of your existing WordPress CRM database** during the live transition.

Itemized Pricing & Scope Breakdown

Sl. No.	Deliverable	Scope Description	Price (INR)
1	Audit, Copywriting & Design	- Setting up a secure local staging sandbox clone. - Full technical audit of the active CRM database tables. - Custom B2B copywriting and layout styling for 20 pages. - Setup of global styling (brand colors, typography, header, footer layouts).	₹25,500
2	Core Development & CRM Styling	- Building 6 Master Templates (1. Homepage, 2. Global Inner Pages, 3. Main Services Directory, 4. Service Details Template, 5. Offices Directory & Maps, 6. Simple Legal layouts). - Populating content across 20 pages (including 12 individual services subpages). - Custom CSS/Tailwind styling of CRM forms and inputs.	₹34,000
3	Launch & Support	- Performing a theme-only deployment to the live server. - Safeguarding live database tables (preventing lead loss). - SSL certificate validation, page speed tuning, and Google SEO setup. - Handover credentials package + 30-day technical support window.	₹25,500

Total Project Cost	₹85,000
GST (18%)	₹15,300
Total Amount	₹1,00,300

Project Milestones and Payment Schedule

To ensure alignment at every stage, the project billing will be split into four milestone payments:

1. Milestone 1: Upfront Advance Deposit (20%)

- Deliverables: Project scheduling, cloning live site, and setting up the local development sandbox.
- Payment Due: **₹20,060** (Paid prior to project commencement)

2. Milestone 2: Design Approval & Visual Layout (30%)

- Deliverables: Homepage visual layout drafts, copywriting style guide, and global customizer styling settings.
- Payment Due: **₹30,090** (Paid upon client approval of design concepts).

3. Milestone 3: Complete Development & Staging Review (30%)

- Deliverables: Internal pages completed, CRM forms restyled, and staging site fully functional on local server.
- Payment Due: **₹30,090** (Paid upon client approval of the staging site).

4. Milestone 4: Live Launch & Final Transfer (20%)

- Deliverables: Selective theme/layout migration to live server, verification of live CRM functionality, and handover of logins/instructions.
- Payment Due: **₹20,060** (Paid upon successful live deployment).

Key Out-of-Scope Exclusions

- **Third-Party Costs:** The client is responsible for paying hosting subscriptions or domain registration renewals directly to the registrar.
- **CRM Configuration Changes:** Upgrading, migrating, or switching to a different CRM engine (or custom CRM API integrations outside the current setup) is excluded from this scope.
- **Media Assets & Photography:** The client must supply all corporate photos (facility pictures, truck photos, team heads) for page illustrations and sitemap assets.
